

Highland Lakes Reserve

HIGHLAND LAKES RESERVES

ENTRANCE GATES POLICY

All residents can purchase up to 2 remotes to gates

Residents only will be assigned a code (**codes are for resident use only**)

Gates will be opened for special events for residents subject to approval and notification to board
(number of guests will determine approval)

Gates will be closed by **9:00 PM** for special events

Contractors will be provided a code for access at **Hwy 66 entrance** only during construction.

Code will be removed upon completion and CO

Vendors servicing the neighborhood are provided their own code for access. Vendors used by residents will be provided a code as well and it is **Resident's** responsibility to notify their vendor.

CAUTION: Your security may be compromised by giving personal gate codes to any vendors, domestic workers, lawn maintenance personnel, etc.

All residents can provide entry to guests by directory at front entrance. Guest can select your name and access can be provided by number used in directory that you have provided. It will call resident and you then push 9 to open gate.
